

The Wise and Foolish Builders

Messianic Version

TRUEWAY KIDS.COM

Introduction

This week, we are focusing on the parable Yeshua taught during His Sermon on the Mount. Our Bible text is found in Matthew 7:24-29.

Some of the main points we will think about are:

1. The Bible is the only firm foundation for our lives.
2. We must listen to and obey Yeshua.
3. We will have difficult times (the same storm hit both houses).

Lesson Guide

Begin by asking your children about their favourite story book. Ask them to explain what happens in the story. Try to help them think about any lessons that the book teaches us. Share how Yeshua often told parables to His listeners. Explain that a parable is a simple story which explains a deeper spiritual truth.

Read through the parable from Matthew 7:24-29 and ask your children to explain the story to you. What was different between the two houses? Which house survived the storm?

To reinforce the story, find a plastic tub or storage box. Place a big rock or brick inside the box on one side, and next to that, build a small mound of sand. Next, place a small box or object on the rock and the sand to represent houses. Allow your child to start pouring in water to the box. They will quickly see the sand melt away into the water.

Explain that Yeshua told this parable, because people were listening to Him teach but not doing what He taught. Ask your child what they think it means to put Yeshua's words into practice? Give examples of times you ask them to obey you because you love them and want to protect them.

Play a game of wise or foolish choices. Give your child some options and ask them to stand up if it's a wise choice (obeying Yeshua) or sit down if it's a foolish choice. Ask them to think about things which honour Yeshua. For example:

Wise Choice	Foolish Choice
Praying for someone	Hitting someone who is nasty to you
Giving to the needy	Stealing something you want
Saying thank you	Calling someone bad names.

Show how the storm hit both the wise man's and the foolish man's house. Remind your child that even when we trust and obey Yeshua, we will have difficult days. However, by trusting in Him and obeying His words, we will always remain safe in God and be ready for the storm.

Remind your children that God is good and wants what is best for them. When He asks us to obey the Bible, it is because He loves us and wants to keep us safe. Try to find some safety warnings around your home or congregation and talk about whether it would be wise or foolish to ignore them.

Pray together and ask God to help you build your life on the Rock and to obey Him.

The Wise and Foolish builders

Yeshua told a parable about two men who needed to build a house.

The two men looked for the perfect place.

The first man loved the beach and chose to build his house on sand. It was easy to dig.

He thought it was a great idea

When Yeshua finished His parable, He taught what it really meant.

Yeshua said, “If you listen to My words and obey them. You are like the wise man”.

No matter which storms may come, you will be safe and secure.”

The second man was very wise.

He also loved the beach, but knew sand would not make a good foundation.

The wise man chose to build his house on a rocky hill.

It was hard work to dig and took a long time, but he knew his house would be safe on the rock.

One day, there was a huge storm.

The rain poured down and the winds blew with all their strength.

Soon the land became flooded.

The storm swept away the house on the sand.

But the house on the rock was safe.

Games and Activities

Sand Play

Allow your child to have some free play with sand. You could use a sand table or even take a trip to the beach. Encourage them to try to build a house or sandcastle.

If you're outside, you could add water and squirt down the sandcastle.

Cup Pyramid Relay

Play as teams or individuals. Place some plastic or paper cups on the opposite side of the room to the children. The child should then run to collect the cups one by one and build a tower.

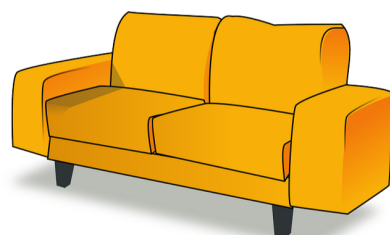

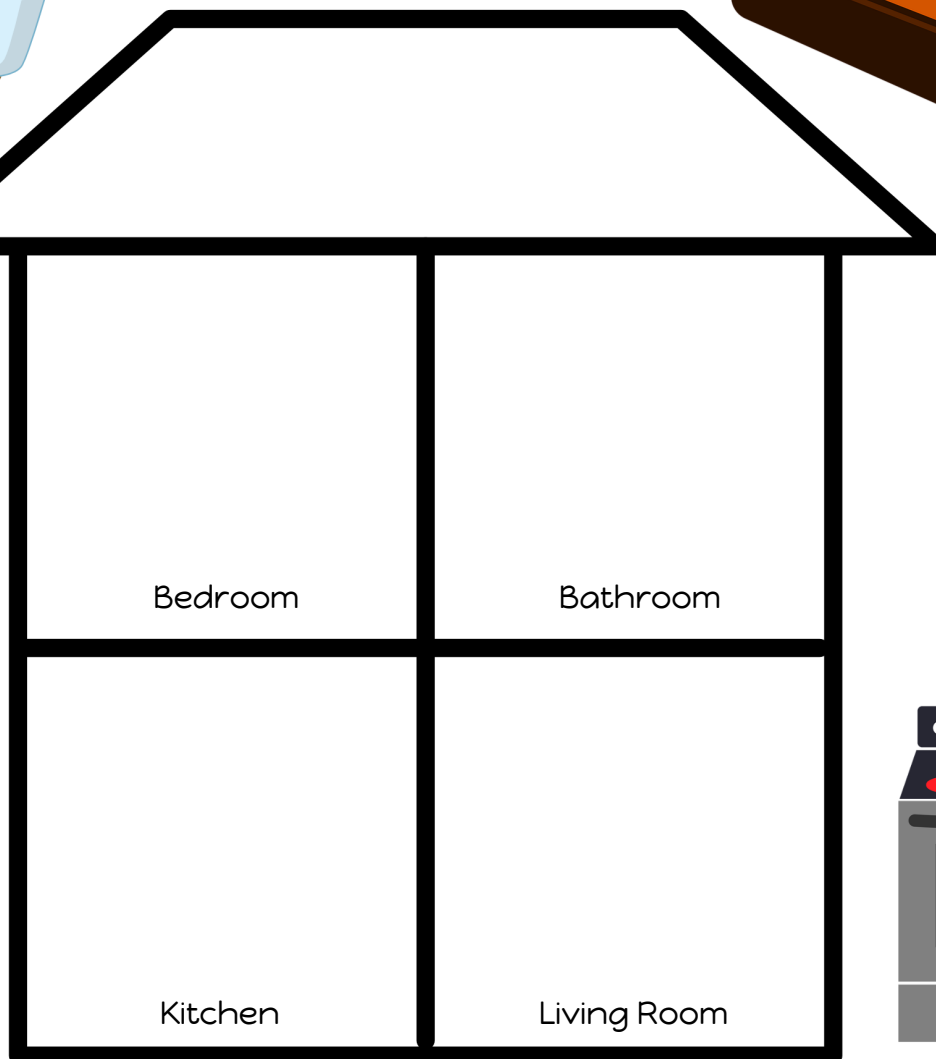

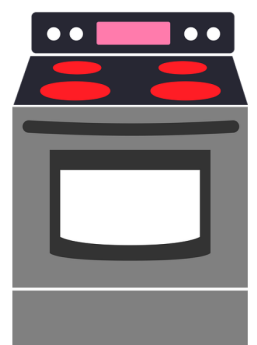

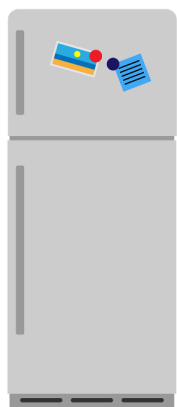

If you want to make the game more difficult: add the rule that if the tower falls, all fallen cups must return to the start. First team or player to finish wins.

Building Block Foundations.

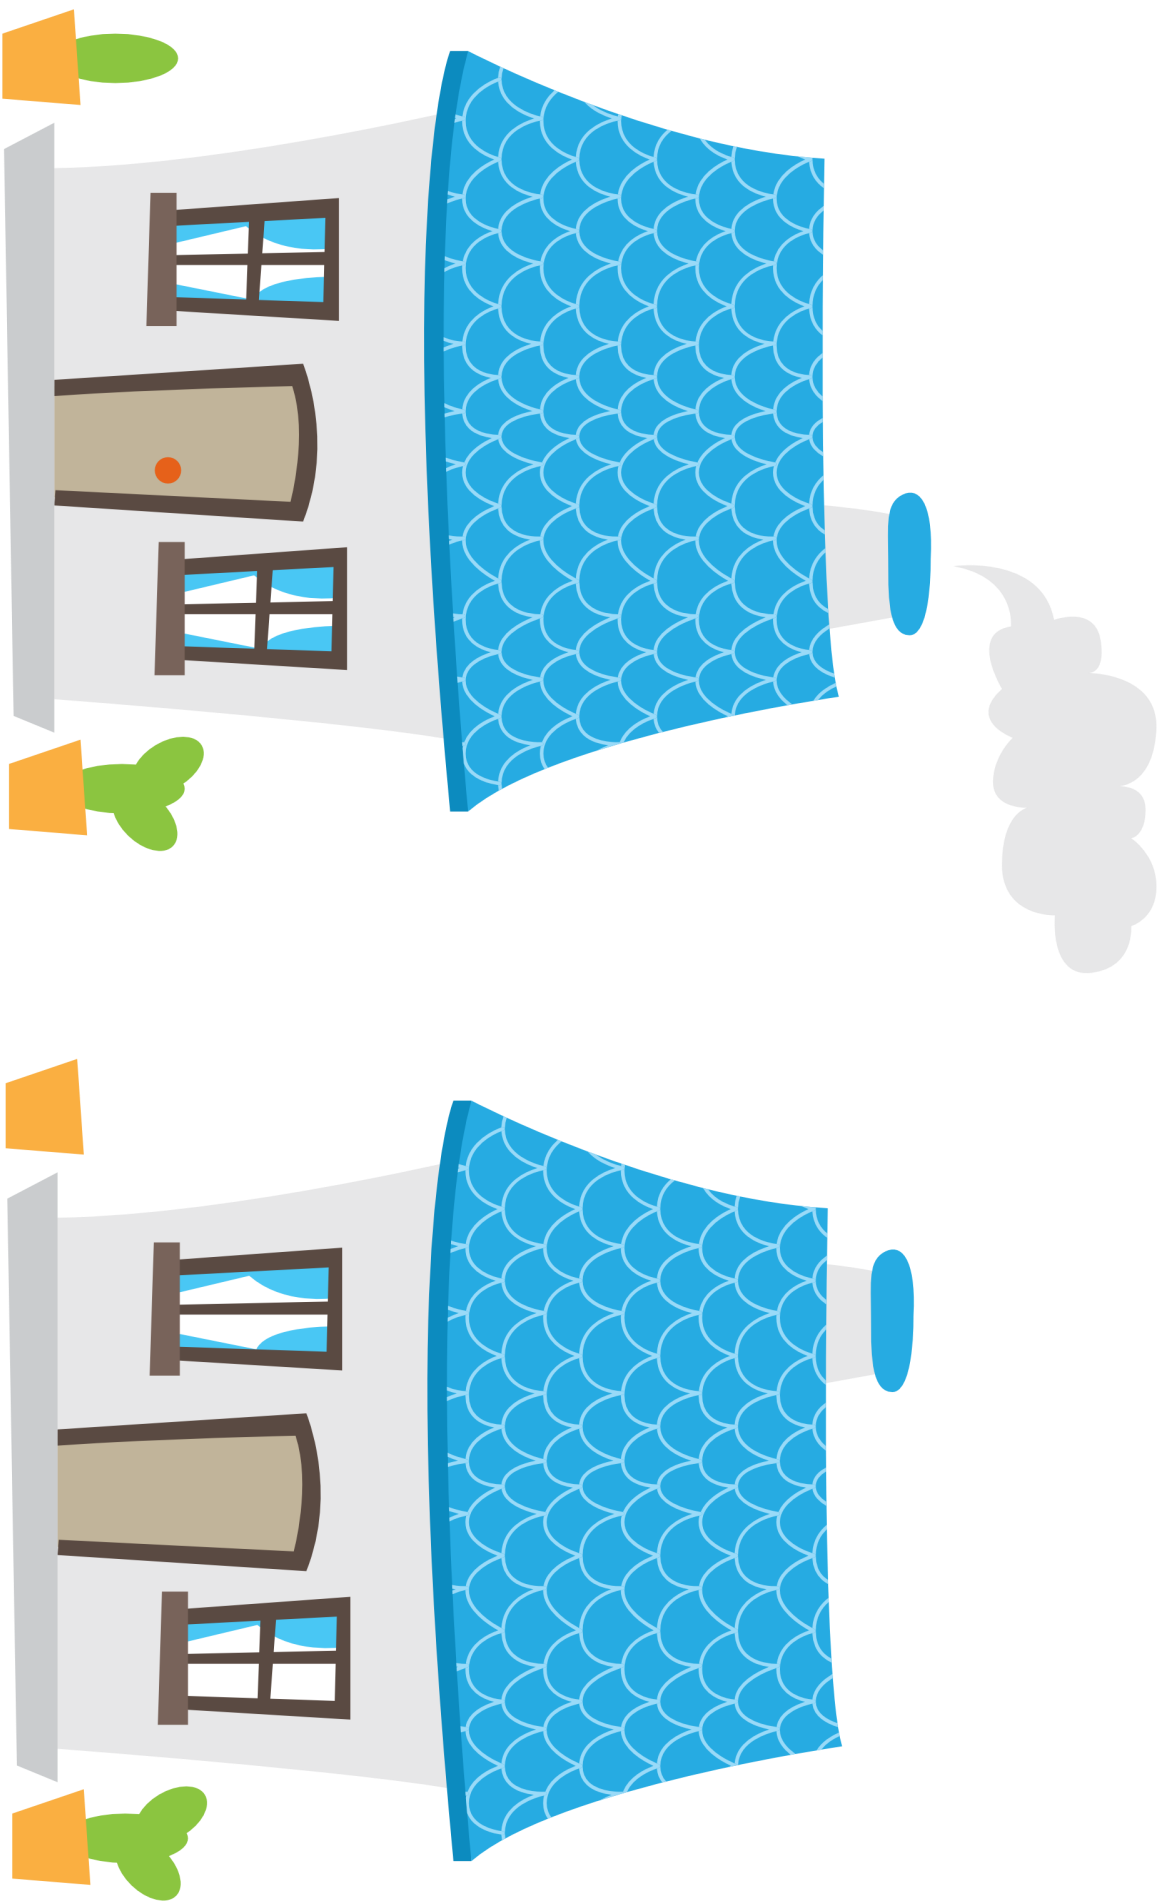

It would be impossible to have a preschool Bible lesson on builders without building blocks. As you build houses or towers with your child, try to build on different surfaces. Think and talk about which surfaces make good foundations.

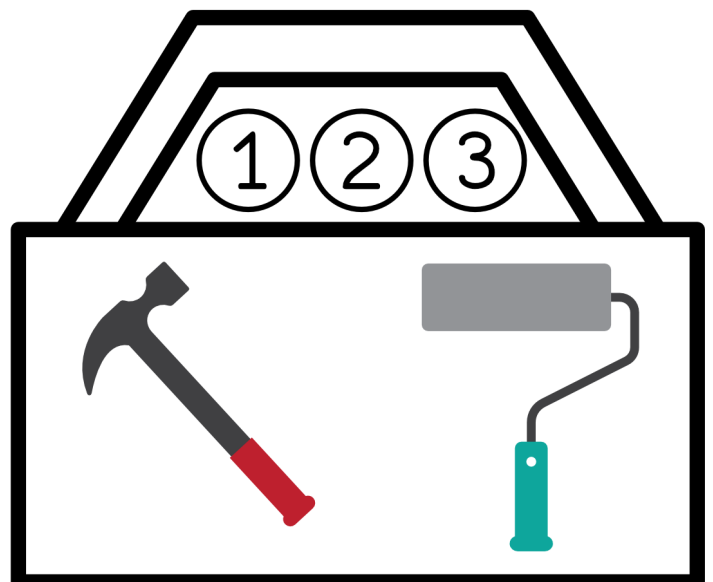

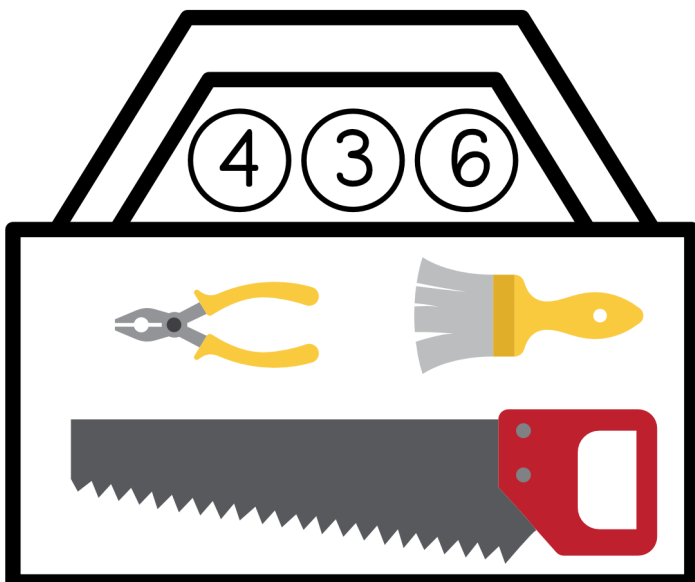

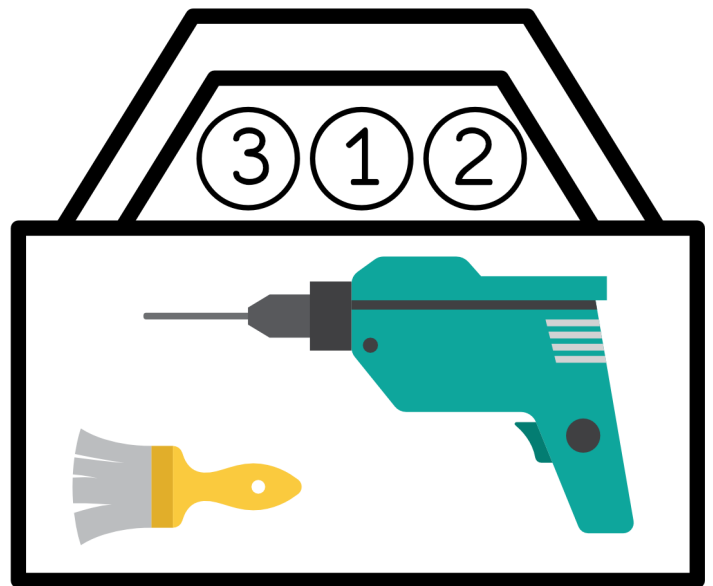

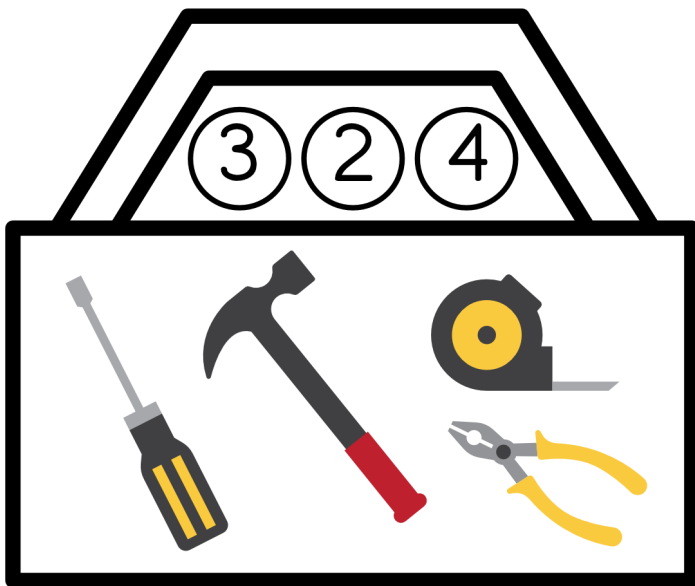

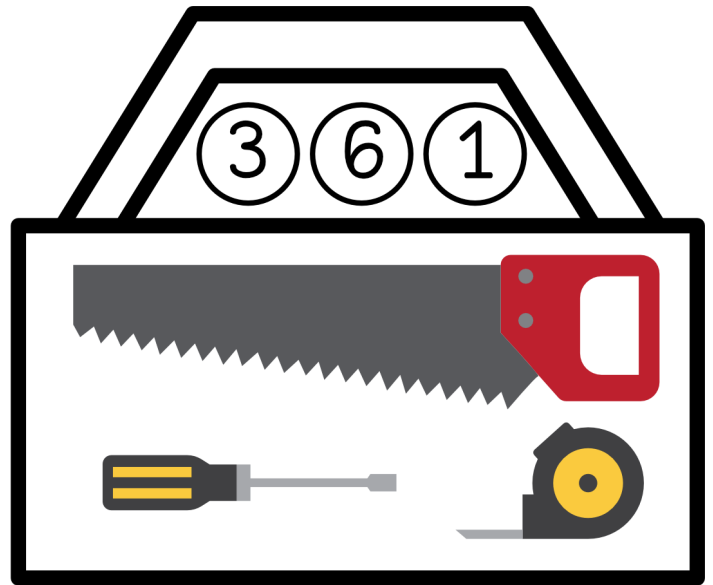

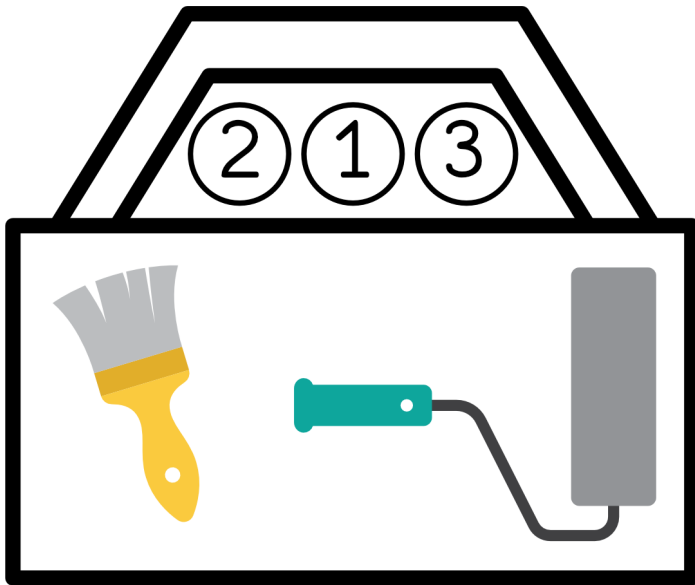

Draw lines to put the items in the correct rooms

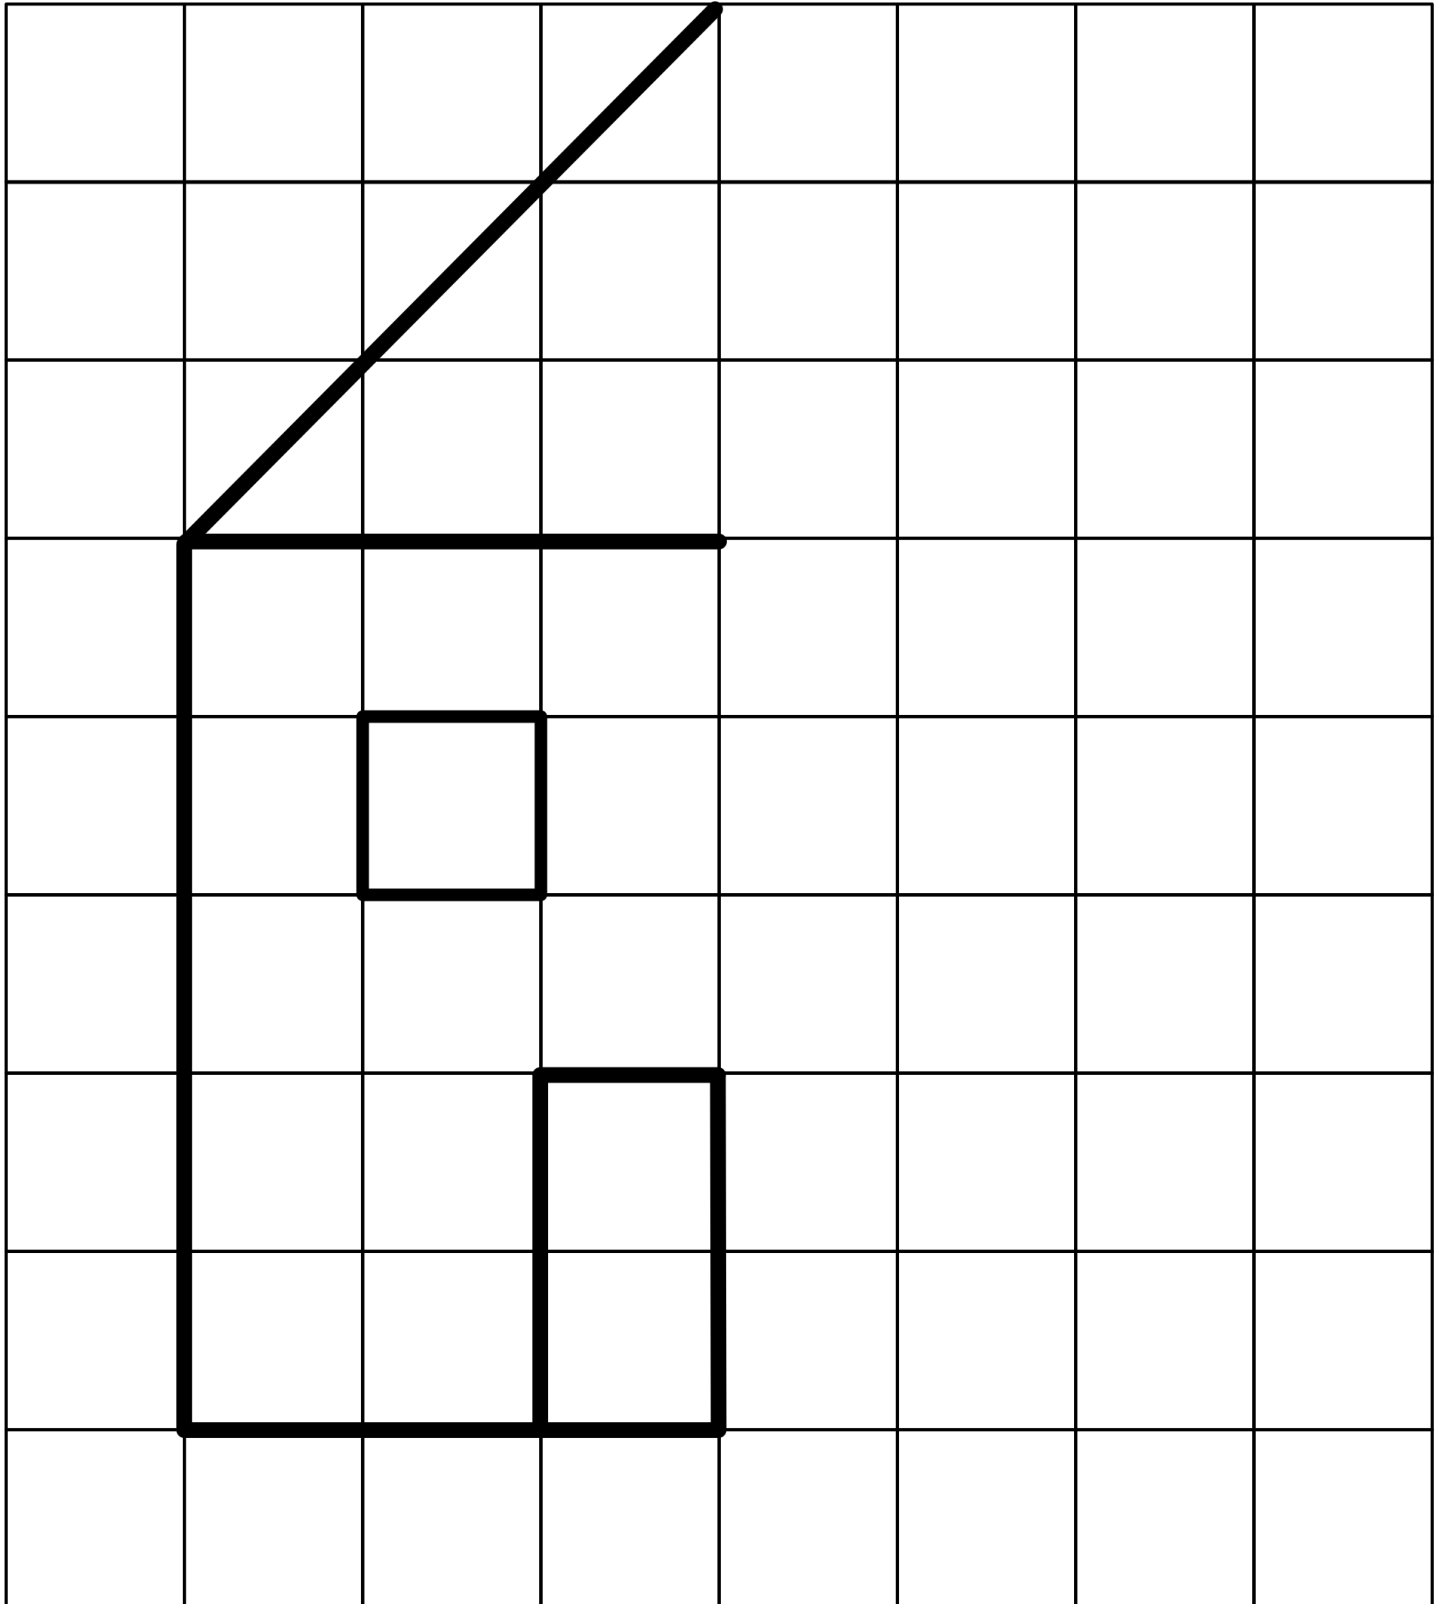

Find 6 differences

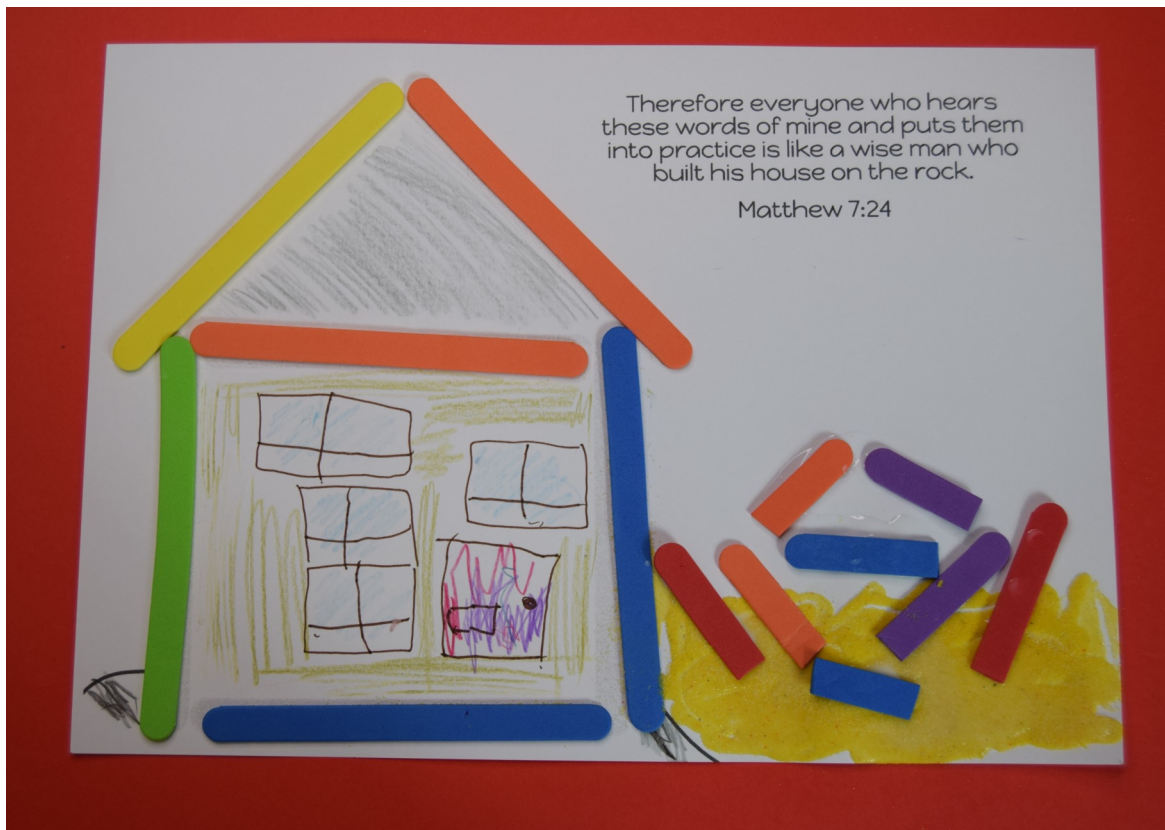

Count the Tools

Finish the house

Two houses craft

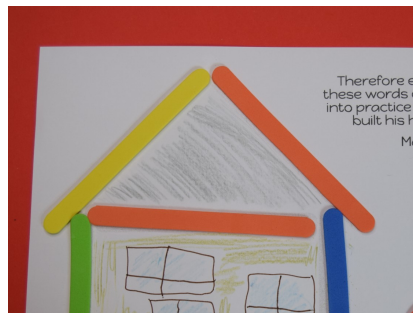

You will need:

Template page
Lollipop sticks
PVA Glue
Play sand
Colouring Pencils

What to do:

Colour the template page

Glue on Lollipop sticks

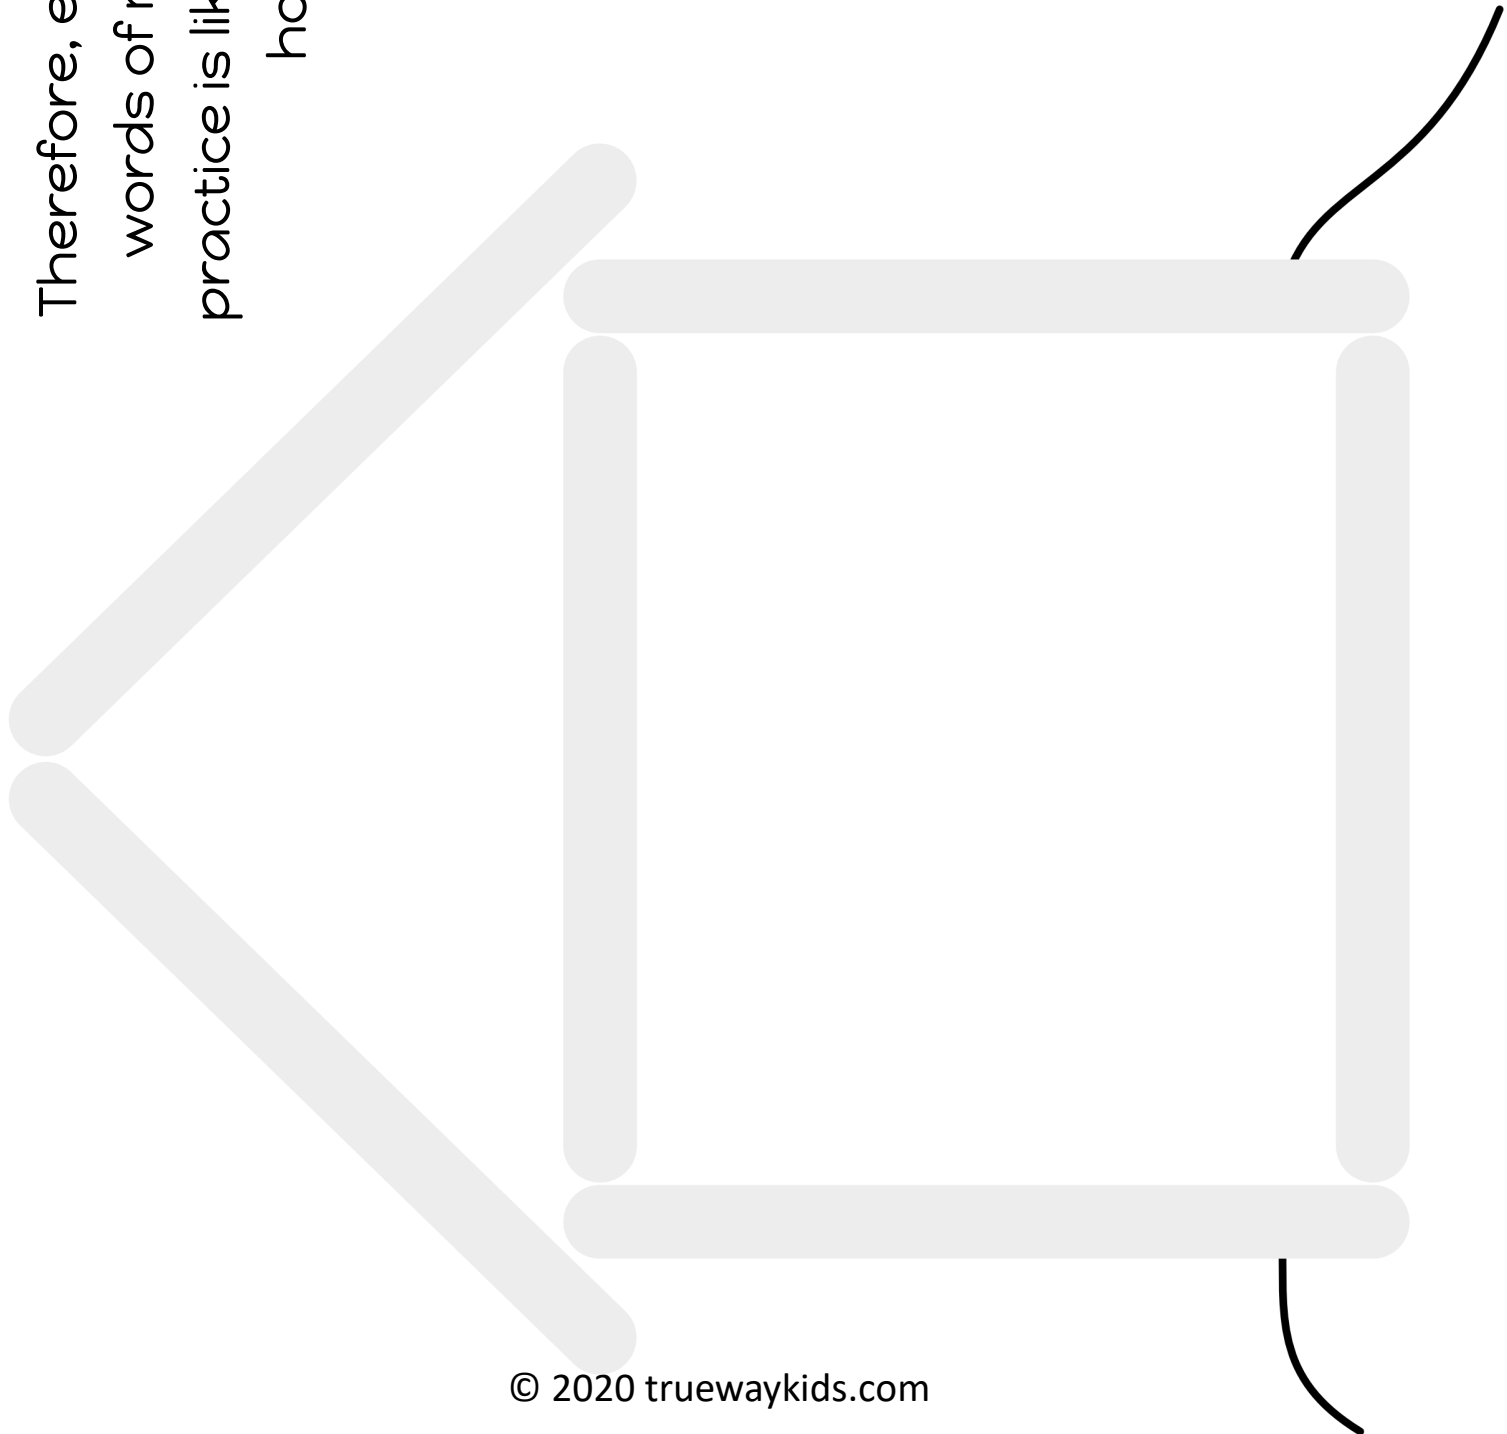

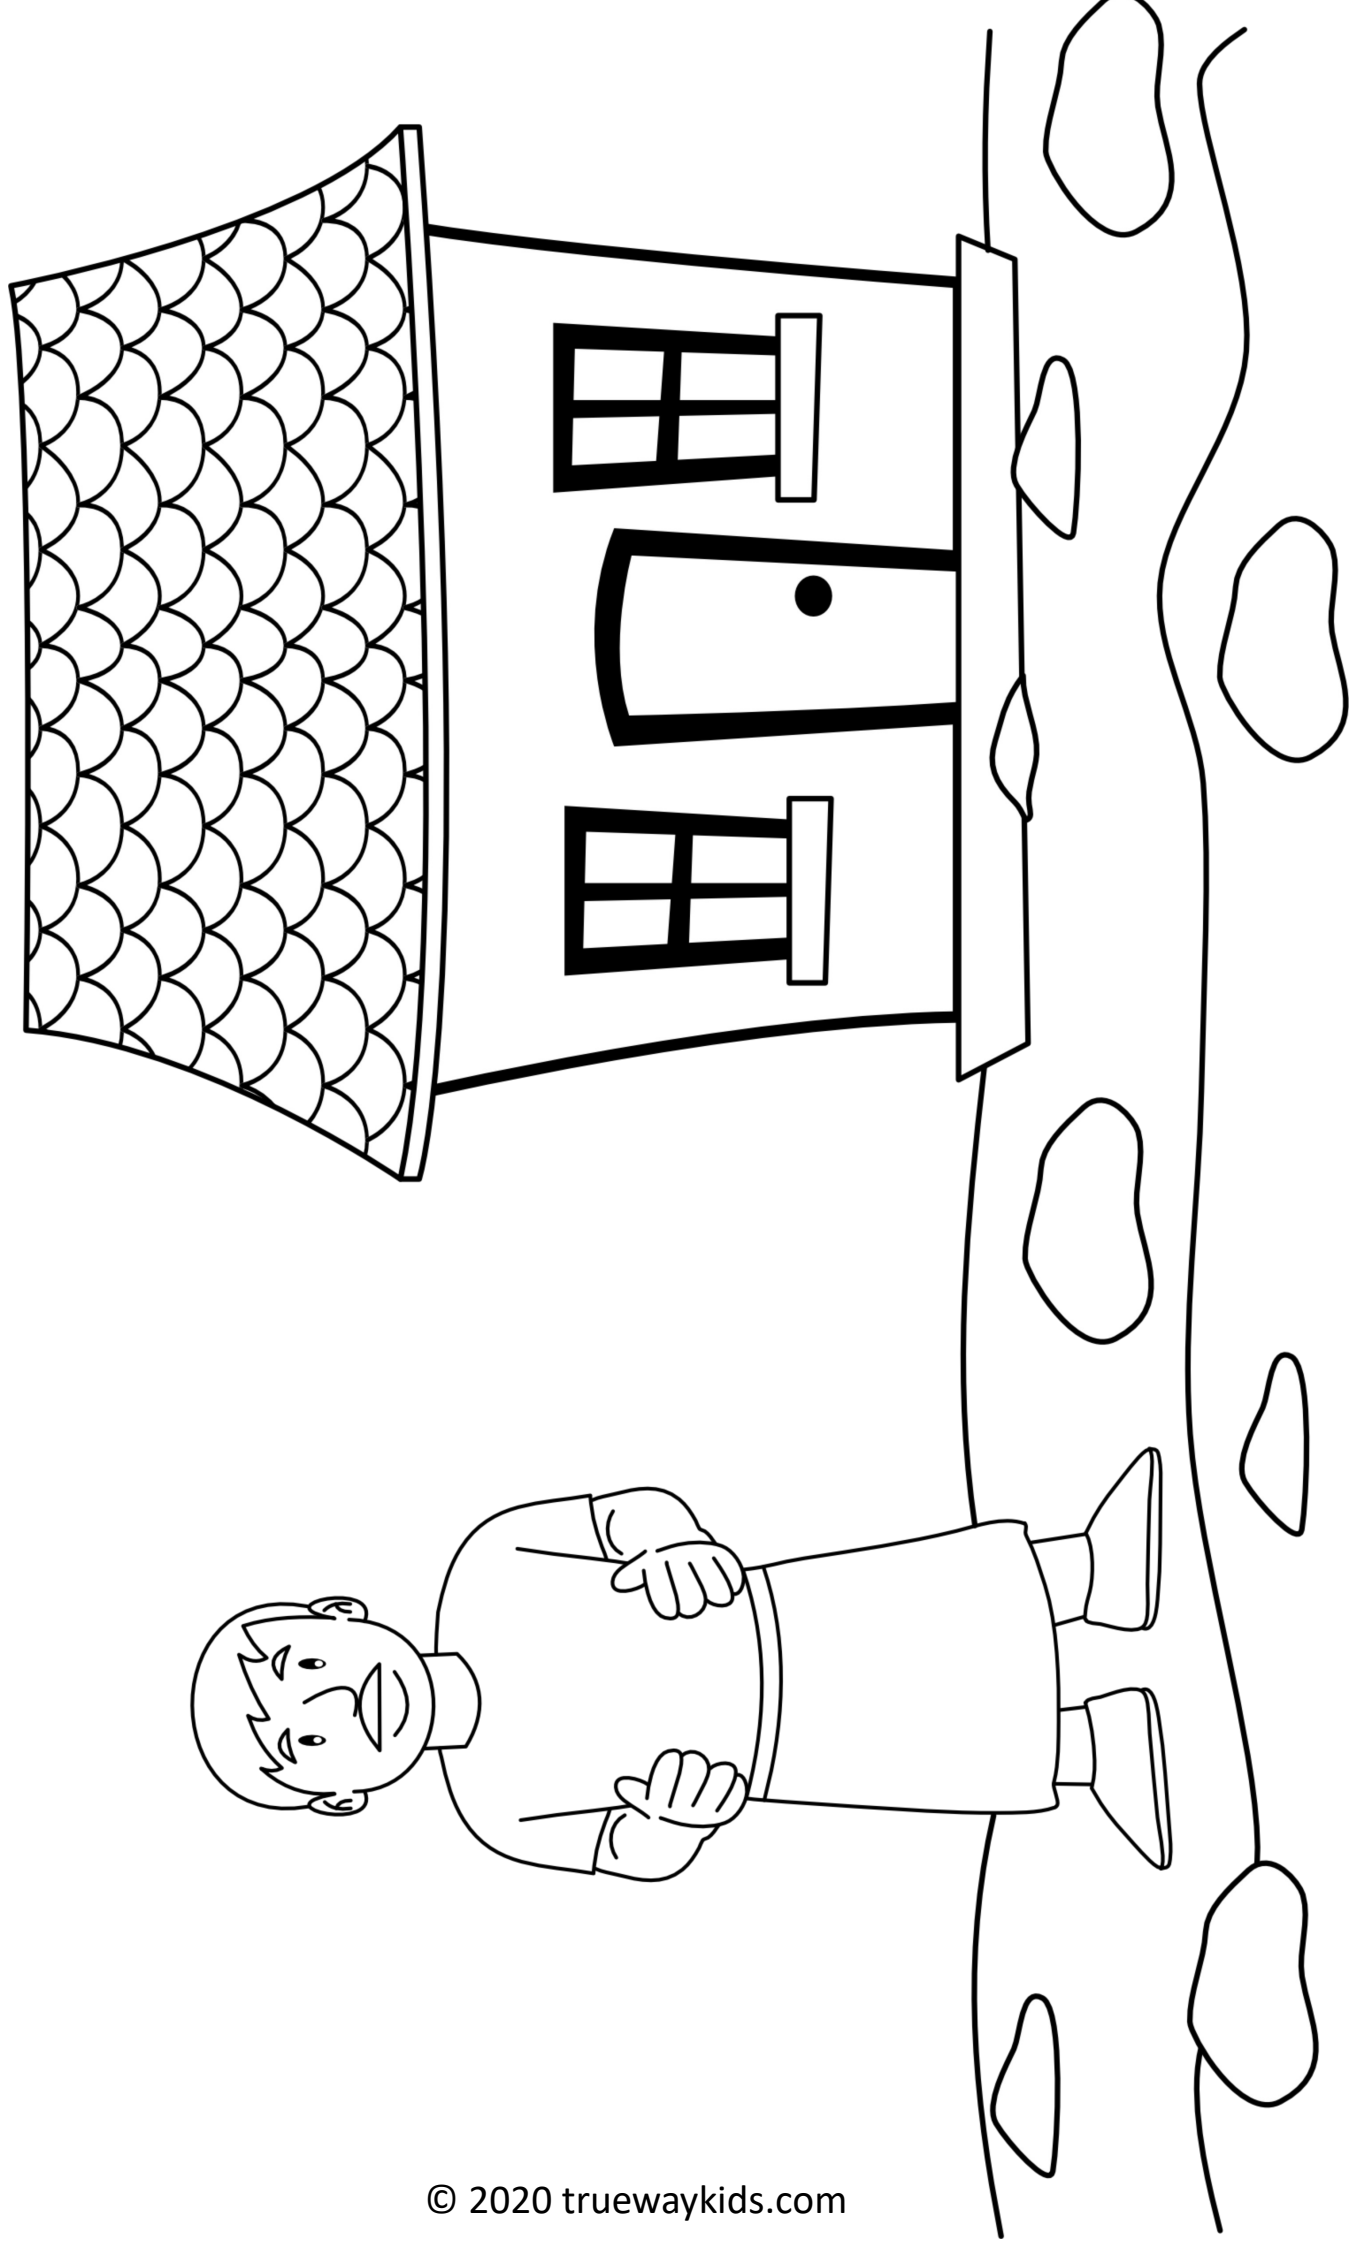

Glue over sandy area,
sprinkle on play sand.
Shake off excess.

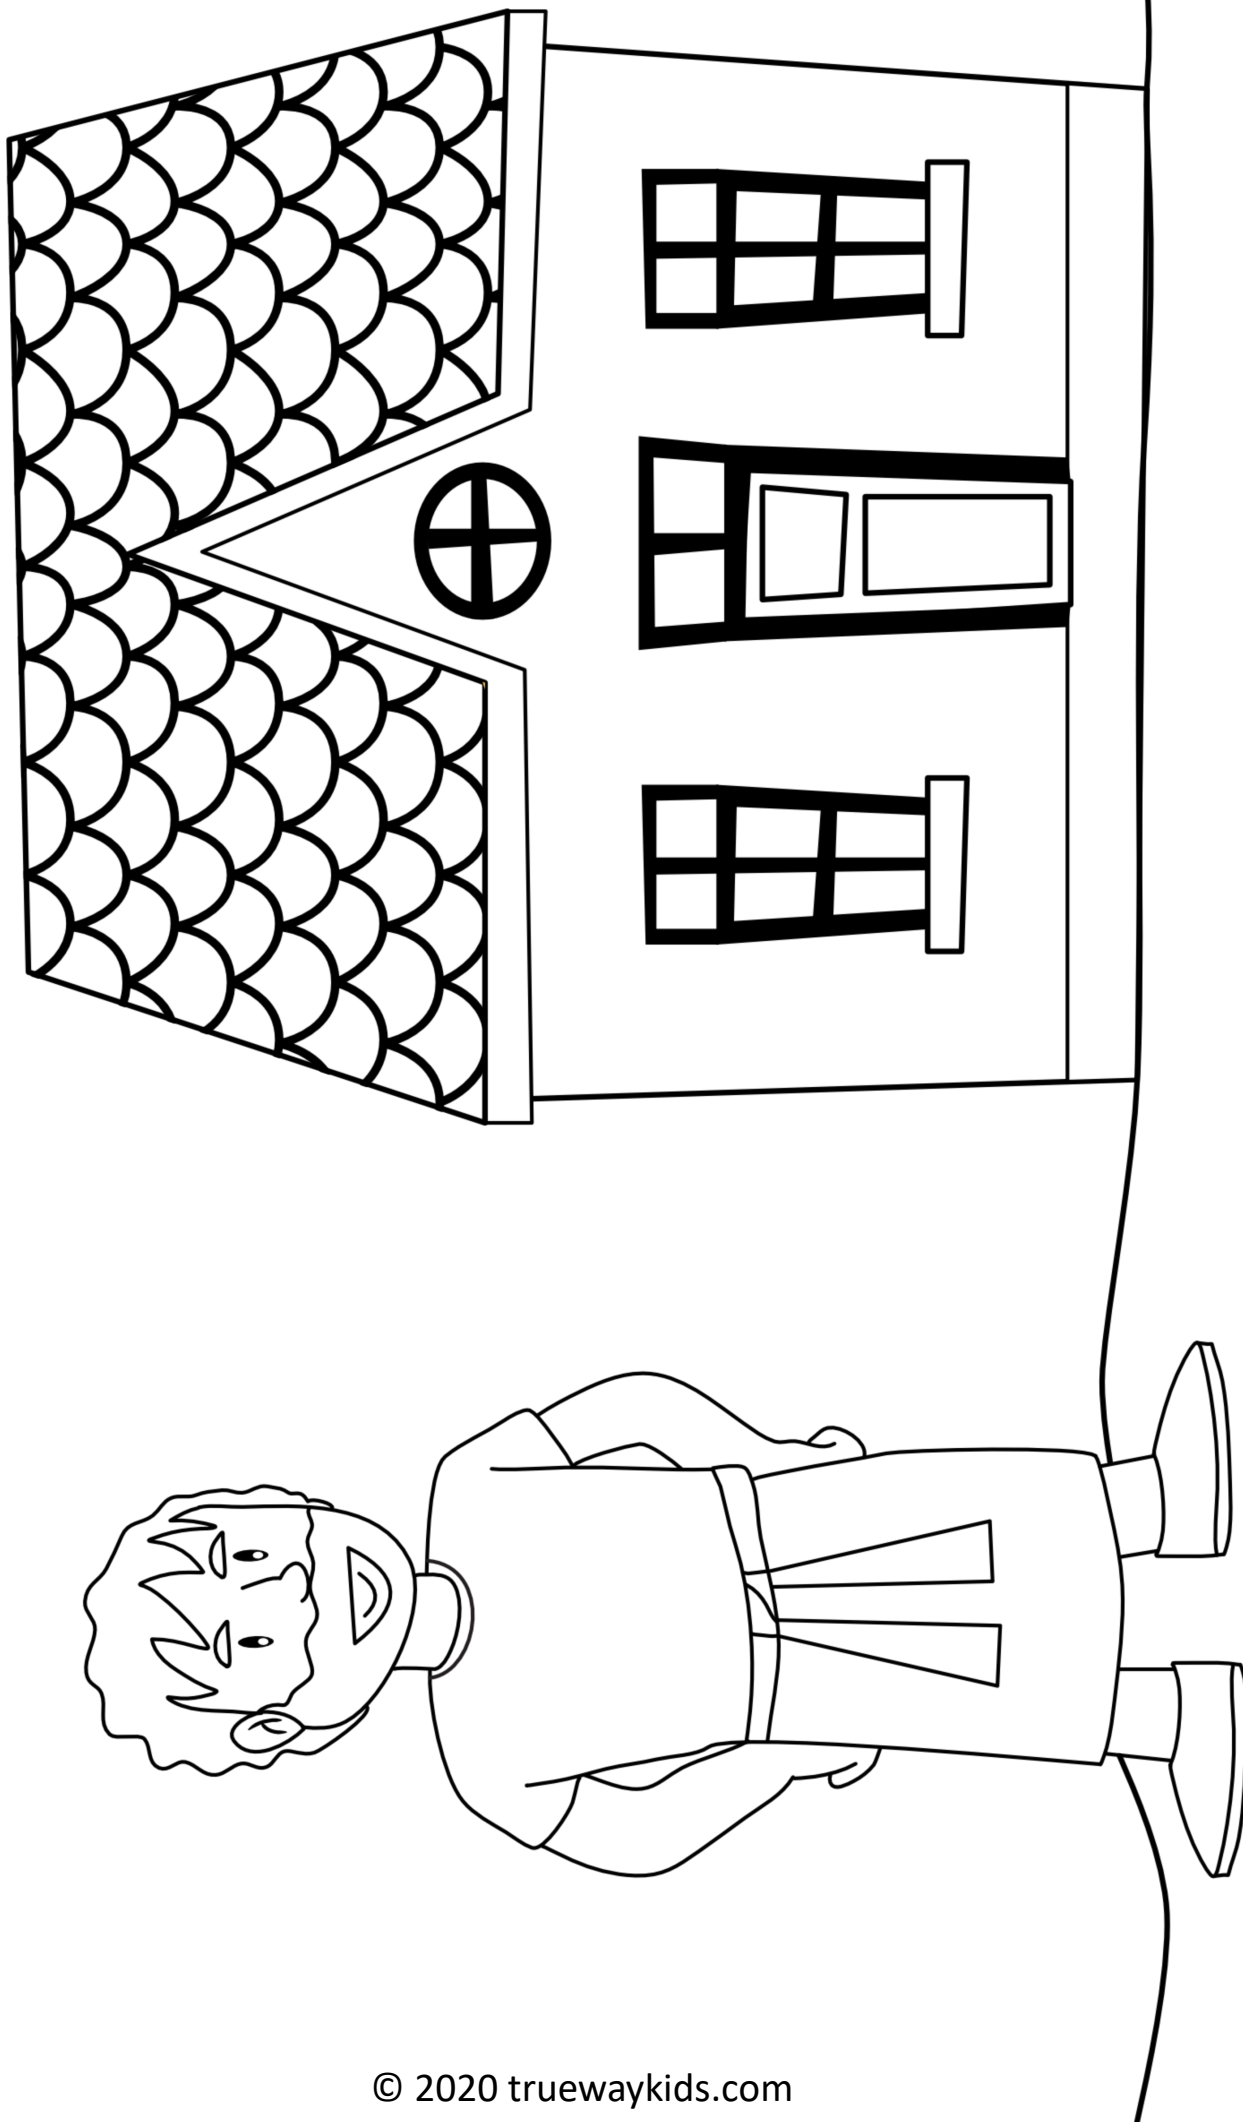

Video craft tutorial available on truesdaykids.com

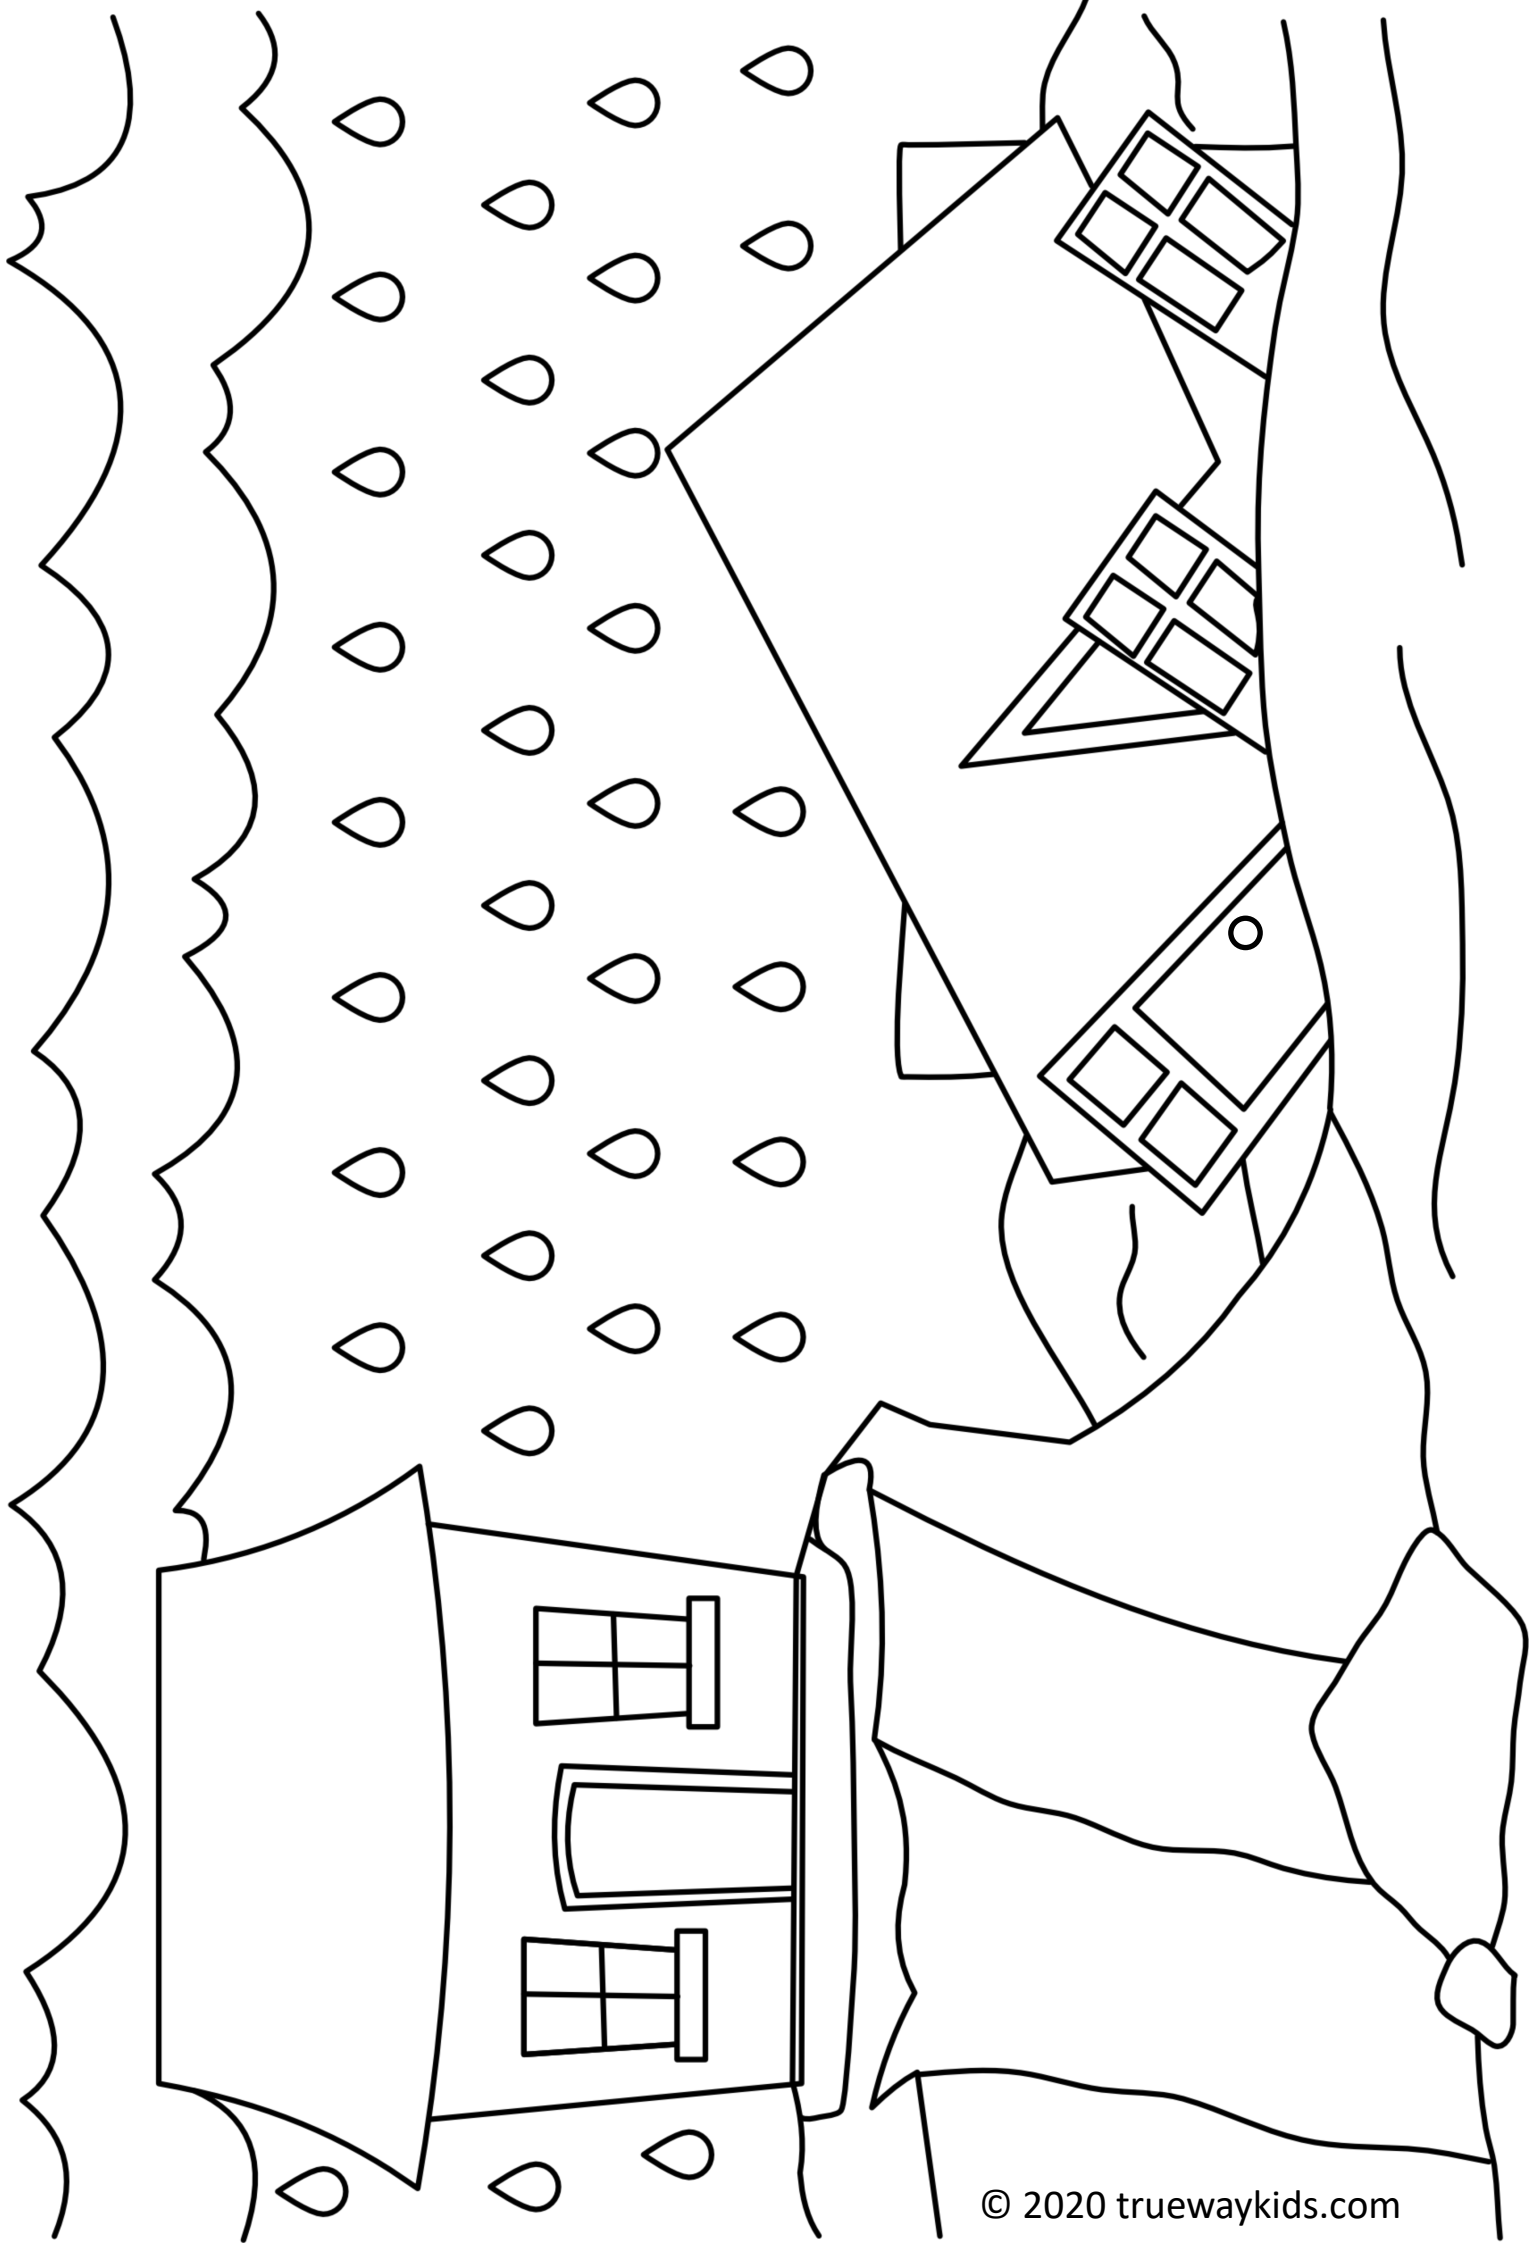

Therefore, everyone who hears these
words of mine and puts them into
practice is like a wise man who built his
house on the rock.

Matthew 7:24
